Problem Statements (Customer Problem Statements)

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	An aspiring entrepreneur or startup founder.	Validate my startup idea before investing time and money.	I do not know whether my business idea is feasible or has market potential.	There is no affordable and intelligent platform that provides comprehensive startup analysis.	Uncertain about the success of my startup and worried about making poor business decisions.
PS-2	A student entrepreneur or innovator.	Receive AI-powered guidance to improve my business idea.	I lack experience in market research, SWOT analysis, and business planning.	Professional business consulting services are expensive and difficult to access.	Confused about how to refine and develop my startup idea effectively.
PS-3	A startup mentor, incubator, or investor.	Evaluate startup ideas quickly and objectively.	Reviewing every startup proposal manually takes significant time and effort.	There is no automated system that provides structured business analysis and recommendations.	Concerned about identifying promising startup ideas efficiently and accurately.
